Canberra ACT 2600

Dear Minister

Thank you for your letter seeking Catholic Social Services Australia's views on how Job Capacity Assessment and Job Capacity Account services can better meet the needs of people with barriers to work, service providers and the Australian community.

I have enclosed a brief submission which has been developed in collaboration with our 30 member organisations.

I trust this submission will prove of assistance to you and I look forward to our continuing cooperation in the development of improved services for disadvantaged Australians.

Yours sincerely
